## BASKETBALL SNAPS

The Girls Basketball Team has had a very successful year. Out of fourteen games, the Honaker Tigers have lost only one county game. The Tigers have an excellent chance to become the County Champions of 1957.

The boys team may not have the best record, but Coach Elkins and the fans think they have the best team in District Seven. They have won twelve games out of seventeen.

With a little good luck they can be champions of both the Russell County and District Seven tournaments.

Through the persistent efforts of the Parent-Teachers Association, a dental clinic is now in progress in the high school clinic. Dr.

Eugene Thomas Bryan, who was sent by the State Department of Education, has averaged 280 corrections per month.

Mr. A. P. Baldwin dramatically "ends" the activities of 1957.

Rose from the dreams of its wintry rest.*
